

How to measure yourself

Chest: Measure around the fullest part of your chest at the under arm point, ensuring tape measure is level across the back.

Waist: Measure with a tape measure around your natural waist line, this is where your pants sit. Do not measure over your waistband of the pants you are wearing! You should measure for a firm yet comfortable fit against the skin.

Inside Leg: Measure from the fork of the seams under your crotch down to the top of the heel of your shoe, this should be about 1cm from the floor.
